UNNATI SHRI

Java Backend Developer | Spring Boot | REST APIs | SQL | 2026 CSE Graduate

+91 8299127090 | unnatiprofessional@gmail.com | Delhi, India | LinkedIn Profile | GitHub Profile

PROFESSIONAL SUMMARY

2026 B.Tech Computer Science graduate with an 8.62/10 CGPA and hands-on experience building Java backend applications using Spring Boot, REST APIs, Spring Data JPA, Hibernate, JDBC and MySQL. Built projects involving layered architecture, CRUD operations, database relationships, session handling and backend business logic. Strong foundation in Core Java, OOP, Collections, SQL, DSA and debugging. Seeking an entry-level Java/Backend Software Developer role.

TECHNICAL SKILLS

Languages: Java, SQL, JavaScript

Backend: Spring Boot, Spring MVC, REST APIs, Spring Data JPA, Hibernate, JDBC, Servlets, JSP

Databases: MySQL, H2, Relational Database Design

Core CS: OOP, Collections, Exception Handling, DSA, DBMS, SQL Joins, CRUD

Tools: Git, GitHub, Maven, Postman, IntelliJ IDEA, Eclipse, VS Code, MySQL Workbench, Apache Tomcat

TECHNICAL PROJECTS

FinTrack — Personal Finance Management Platform **Link**

Spring Boot, Spring Data JPA, Hibernate, MySQL/H2, REST APIs

- Developed a Spring Boot backend for managing income, expenses, accounts, categories and financial summaries.
- Implemented **5+ REST APIs** using Controller–Service–Repository architecture with Spring Data JPA, Hibernate, DTOs and entity mapping.
- Built backend logic for account balance calculation, transaction management, category-wise expense tracking and dashboard analytics.
- Used Postman for API testing and MySQL/H2 for relational data persistence.

Smart Hostel and Mess Management System **Live**

Java, Servlets, JSP, JDBC, MySQL

- Built a web-based system for managing hostel rooms, student details, mess menus, attendance and fee records.
- Implemented room allocation, mess feedback, complaint management and reporting features using JDBC-based database operations.
- Developed database-driven workflows to improve organization of hostel information and reduce manual management effort.

SkillSync — Skill Learning & Collaboration Platform **Link**

Java, Servlets, JSP, JDBC, MySQL

- Developed a web platform enabling users to exchange skills and collaborate through structured user interactions.
- Implemented user profiles, session tracking and database-backed interaction features.

EDUCATION

Bachelor of Technology in Computer Science and Engineering
Ch. Devi Lal State Institute of Engineering and Technology, Sirsa, Haryana | 2022–2026
CGPA: 8.62/10

TECHNICAL TRAINING & CERTIFICATIONS

Java Training Program | Aptron, Gurgaon | Jun 2025 – Sep 2025

Core Java, Advanced Java, OOP, JDBC, Servlets, JSP, MySQL and Java web development.

Java Masterclass | Udemy | 130+ hours

Core Java, OOP, Collections, Exception Handling, JDBC, Servlets, JSP and MySQL.

Spring Boot Backend Development Course | Udemy | In Progress

ACHIEVEMENTS & LEADERSHIP

- Solved 50+ problems on LeetCode, demonstrating consistent practice in problem solving and logical thinking.
- Class Representative for two consecutive years; organized Freshers Party and cultural/technical events.
- Secured 2nd rank in an English Speech Competition during first year of college.
